This Floor Plan has been produced prior to construction and while the information contained is believed accurate it is not guaranteed. Areas are calculated in accordance with the Strata Schemes Development Act 2015 and all areas are subject to final survey. The plan does not show features such as hot water systems services, bulkheads necessary for services. Graphics including design and extent of tiles, pavers and carpeted areas are not to be relied on as representation of the final product. Views differ between apartments. Images showing the building interiors and views are computer generated prior to construction, and are indicative only.
