TIME FOR LIFE 

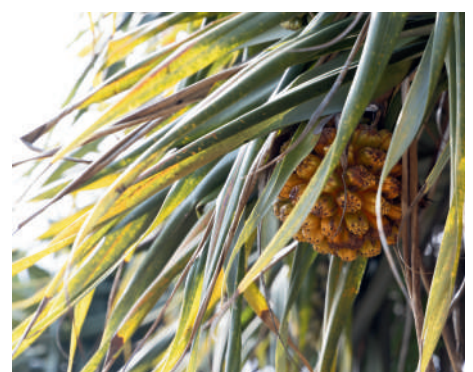

Yamba is a picturesque coastal town in northern New South Wales, renowned for its beautiful beaches and laid-back lifestyle.

Yamba is pretty much as close to paradise as one could imagine. Whether you're into water sports such as boating, fishing, surfing, ocean swimming or stand-up paddleboarding; or if hiking, nature and abundant native flora and fauna is your passion, Yamba is for you. Local arts, crafts and fresh organic produce at the town's wide selection of cafes and restaurants are in abundance for your enjoyment.

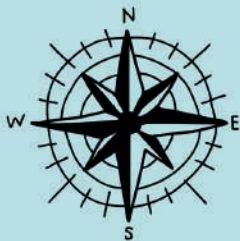

And with a host of activities, markets, festivals and cultural events taking place throughout the year, there is always something new and interesting in which to immerse yourself. The coastal community of Yamba simply has it all.

And at the end of the day, The Grove offers the perfect haven to retreat to. A luxurious yet low-maintenance abode, allowing you to truly embrace life. It's time.
